HOW TO CHANGE THE SAFE CODE

✓ Press the red button on the inside of the safe, you will now hear a beep.

✓ Enter the desired code (4-8 digits), followed by B/E/# or ENTER

✓ Repeat the code and press B/E/# or ENTER again , after that a green light comes on the safe, you can now close the safe

✓ Open the safe with your personal code and then press A/C/*.

Safe closed? Call 525!
